

# CLEEN (Continuous Lower Energy, Emissions and Noise) Program

## Consortium Discussion Topics

Presented to: CLEEN Consortium

By: Rhett Jefferies  
Federal Aviation Administration  
Office of Environment and Energy

Date: October 27, 2010

Federal Aviation  
Administration

# Future CLEEN Consortium Meetings

- **Next meetings:**
  - 3-5 May 2011
  - 25-27 Oct 2011
- **Meeting format options**
  - A. Gov't only annual review in Spring (4 hr sessions),  
Open plenary sessions and workshops only in Fall
  - B. Gov't only and open plenary sessions every time
- **Possible venues**
  - Company locations
  - GA Tech (ASDL)
  - Washington DC

# Sub-committees

- **Some issues cut across technologies and companies**
- **Could coordinate activity throughout the year and report during consortium**
- **Could be used to organize workshops during consortiums**
- **May engage broader community**
- **May change over time**

# Proposed Sub-committees

- **Technology Modeling and Integration**
- **Aviation Alternative Fuels**
- **Emissions**
- **Facilitating Commercialization**

# Summary of Decisions
